patient friendly payment plans

Pay for your co-payments, deductibles and treatment expenses not covered by insurance up to \$10,000.00.

Start treatment now and pay over time with our 12 month interest free payment plan.

Save money by avoiding high credit card APRs and hidden default interest risk with other healthcare payment plans.

Stop worrying about payment due dates. Care Cap Plus offers automatic, scheduled, low monthly payments through your bank account.

Reserve your existing credit cards for necessary household or non-health related medical expenses.

Reduce Credit Debt by extending your payment terms, rather than charging treatment solely on your credit card.
