MASTERS LIVE SURGERY IN ADVANCED LIPOABDOMINOPLASTY, LIPOSCULPTURING, AND FAT TRANSFER FOR FACE AND BODY CONTOURING

TUESDAY, OCTOBER 1, 2013

PELOSI MEDICAL CENTER
BAYONNE, NJ

ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Medical Society of the State of New York (MSSNY) through the joint sponsorship of the Academy of Medicine of Richmond and the International Society of Cosmetogynecology. The Academy of Medicine of Richmond is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians. The Academy of Medicine of Richmond designates this educational activity for a maximum of 8 hours of AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the educational activity.

The Academy of Medicine of Richmond designates this educational activity for a maximum of 8 hours of AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the educational activity.

COMMERCIAL SUPPORT

All education grants for continuing medical education programs sponsored by the Academy of Medicine are in strict compliance with the guidelines of the Accreditation Council for Continuing Medical Education (ACCME). A copy of these standards for commercial support is available upon request.

FACULTY DISCLOSURE

The Academy of Medicine of Richmond relies upon invited faculty participants in its CME programs to provide educational information that is objective and free of bias as much as possible. In the spirit, and in accordance with the guidelines of the program sponsor, the faculty participants are expected to indicate any commercial relationship that may be perceived as real or apparent conflicts of interest.

CERTIFICATION OF CME CREDIT

Following completion of the program, the Academy of Medicine of Richmond will issue certificates to all participants based on documented attendance at the various educational sessions.

OBJECTIVES

- Assess patients appropriate for face and body contouring using liposculpture and autologous fat transfer.
- Demonstrate various procedures for face and hand rejuvenation, monsplasty, labia majora liposculpturing, breast augmentation, and buttock enhancement and contouring using liposuction, autologous fat transfer and PRP.
- Describe various techniques for the performance of office lipoabdominoplasty (Avelar abdominoplasty)
- Recognize various potential complications associated with those procedures and the strategies to prevent them.
- Provide greater patient safety and better surgical outcomes.
